- The members of AC shall be financially literate and have sufficient understanding of the Company's business in order to continuously apply a critical and probing view on the Company's financial reporting process, transactions and other financial information, and effectively challenge management's assertions on the Company's financials.
- The members of the Committee should undertake continuous professional development to keep themselves abreast of relevant developments in accounting and auditing standards, practices and rules.

3. The Chairman

- The Committee shall be chaired by an independent director.

4. Duties and Responsibilities of the Chairman

- The Chairman shall be responsible for ensuring the overall effectiveness and independence of the Committee which includes:
 - active on-going dialogue with management and both internal and external auditors;
 - calling and conducting meetings;
 - reporting to the Board;
 - open discussion during meetings; and
 - attending general meetings to answer any questions raised by the shareholders on the Committee's activities.
- The Chairman together with other members of AC should ensure that:
 - the Committee is fully informed about significant matters related to the Company's audit and its financial statements and addresses these matters;
 - the Committee appropriately communicates its insights, views and concerns about relevant transactions and events to internal and external auditors;
 - the Committee's concerns on matters that may have an effect on the financial or audit of the Company are communicated to the external auditor; and
 - there is co-ordination between internal and external auditors.

5. Reporting

- The Committee shall report to the Board.
- Where the Committee is of the view that a matter reported by it to the Board has not been satisfactorily resolved resulting in a breach of the Listing Requirements, the Committee must promptly report such matter to Bursa Malaysia.
